

# Build a Healthier Campus Community

Comprehensive Approach. Simple Implementation.

You're committed to creating a healthy campus where students can learn, and hand hygiene plays a vital role in your learning community. GOJO offers a comprehensive program that includes a variety of tools to encourage hand hygiene campus wide with simple implementation. These customizable elements help you educate and communicate your efforts to students, faculty, staff, parents and the wider community.

**Hand hygiene posters.** Use them everywhere students connect. It's a reminder that being sick means missing out – and proper hand hygiene is the germ-fighting solution.

**Educational pamphlet.** Students get Hand Hygiene 101 in terms they understand. Build knowledge and promote practice. Pair it with individual bottles of PURELL® Instant Hand Sanitizer in health fair packs and welcome kits.

## Hand hygiene program communication tools.

Customize messages that provide hand hygiene reminders to students, faculty and staff and communicate your commitment to a healthier campus to your community.

**Press release.** Share news of the program with parents, alumni and the community.

**Newsletters/Email blasts.** Reach students with timely reminders.

**Text messages.** Instant reminders to today's mobile student.

Make campus health a matter of school pride.

## Customize GOJO dispensers with your school logo or insignia.

# Promote your campus sustainability efforts with every handwash

## Hand Hygiene is now required for LEED-EB certification.

According to the U.S. Green Building Council, the LEED-EB green cleaning prerequisite requires: "Development of strategies for promoting and improving hand hygiene, including both hand washing and the use of alcohol-based waterless hand sanitizers." To help campuses meet LEED-EB certification requirements, GOJO Hand Hygiene Program for Higher Education includes:

- Effective, environmentally responsible hand hygiene products
- Educational tools that promote and encourage hand hygiene
- Dispenser labels and mirror clings to communicate your commitment to sustainability to students and staff with every handwash

| Description  | Order Number                     | Available for Download  |
|--|----------------------------------|---|
